

Bangle and Bracelet sizes

When measuring your wrist/ hand, please bear in mind that for bangles that open, you will need to measure around your wrist, adding a cm or two for comfort. For closed bangles you should measure around the widest part of your hand (see small image below).

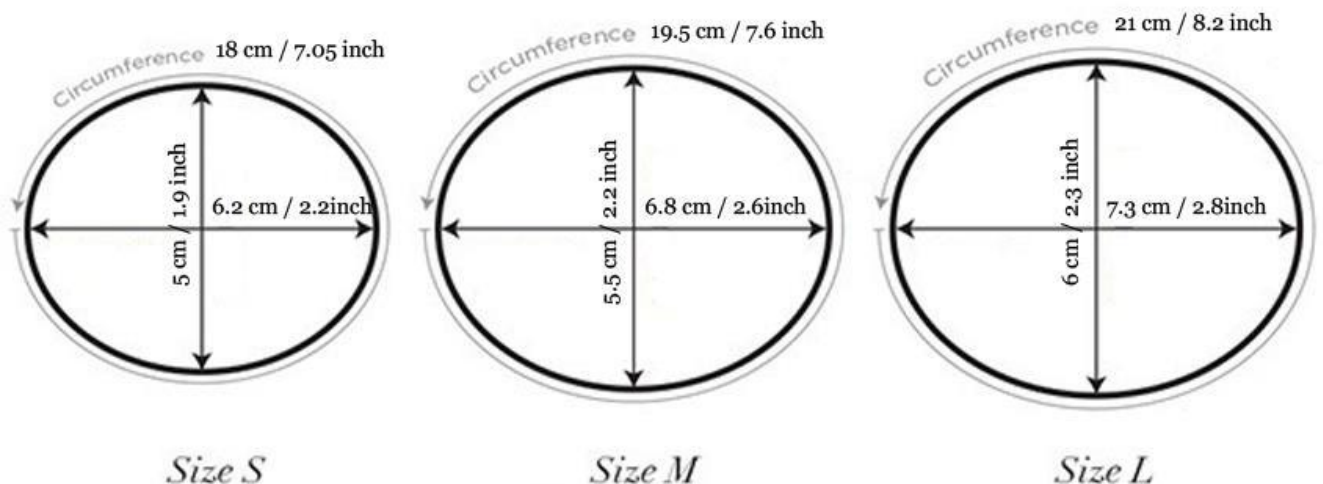

widest part of your hand (see small image below).

1 – Prepare Fold your thumb in as far as possible across your hand

2 – Measure Across the widest part of your folded hand, from the end of your thumb all around your hand

Bangle sizes for closed bangles: (Snake Bangle / Hare Bangle)

Bangle sizes for bangles that open up: (Wing Bangle / Bloom Bangle)
